

God Loves Do-Overs

Everyone can have a fresh start in life.

With Dr. Dan and Cathy Erickson

It was simpler back in grade school. If a play went wrong, we could simply shout "Do-Over!" and start again. But what if life goes wrong?

Are we sentenced to spend our days staring at a dead end? Is God too angry with us to

let us start over? The good news for Christians is that God loves do-overs! He planned to give each of us a fresh start in life. That's why He sent Jesus Christ. With the love and favor of God, each day can be a new beginning. This seminar formed the basis for Dr. Dan and Cathy Erickson's book "God Loves Do-Overs."

Session 1

Starting Life All Over Again

God offers each of us a do-over, a fresh start. We do not have to allow our past, pain or sin to define or determine our potential and destiny. We are a new creation in Christ Jesus because the old has passed away and the new has come (2 Cor. 5:17).

Session 2

Caught in the Cycle of Rejection

Many are caught in a cycle that keeps them from moving on to their God-given potential and destiny. When the past lives in our present, it robs us of our future. Discover how to break free!

Session 3

Crossing Over the Bridge of Acceptance

Our heavenly Father is calling us to cross over his bridge of acceptance. God loves us just as we are, but loves us too much to allow us to stay there. Discover what it means to truly cross over.

Session 4

Following the Pathway to Restoration

There is a clear path that leads us to a completely restored relationship with our heavenly Father. Follow it to discover what it means to be made right again.

Session 5

Living on the Highway of Reconciliation

Since we have been unconditionally accepted and completely restored in our relationship with our heavenly Father, we can now become the means to reconcile others to him. Learn how to become a channel God can use to convey his love and purpose.
